

NON-HUMAN SUBJECT RESEARCH DETERMINATION

DATE: 18 Dec 2015

TO: Esteban Perla
American College of Cardiology Foundation

PROTOCOL: American College of Cardiology Foundation, ACPC Quality Network Protocol
(Pro00015717)

DOCUMENTATION REVIEWED:

- Protocol Version:**
- Protocol (Not Dated)
- Other Material:**
- Adult Congenital and Pediatric Cardiology (ACPC) Quality Network Program Requirements (Dated December 15, 2015)
 - Participation Agreement (Not Dated)

Using the Department of Health and Human Services regulations at 45 CFR 46, the IRB determined that your research project does not constitute human subject research and, therefore, does not require IRB oversight. All study related documents will be removed from our active files and archived.

If you have any questions or concerns, please use the Contact IRB activity on your CIRBI workspace.

Thank you for selecting Chesapeake IRB to review your research project.
