

# ACC.20 TOGETHER WITH WORLD CONGRESS OF CARDIOLOGY **VIRTUAL**

**MARCH 28 – 30  
2020**

**FREE AND  
UNLIMITED ACCESS  
FOR 90 DAYS**

**SUPPORTING THE HEALTH CARE COMMUNITY  
HELP AND HEAL DURING COVID-19**

## **INVITING ALL PHYSICIANS, HEALTH CARE PROFESSIONALS, TRAINEES AND STUDENTS**

ACC's Mission is to transform cardiovascular care and improve heart health. It is a privilege to help deliver on this mission by offering full, unlimited access to ACC's scientific and educational content.

You'll be able to access:

- **Live & On Demand Education:** Bringing you free access to 20+ live education sessions that include Late-Breaking Clinical Trials, Featured Clinical Research, Young Investigator Awards, Keynotes, and much, much more.
- **Virtual Expo:** Showcasing new product innovations, technologies and therapies in the field of cardiology. The ACC is deeply appreciative of the continued involvement of some of our closest industry partners in helping us bring the ACC.20/WCC Virtual experience to life.
- **Networking:** Professional engagement is one of the important elements of the ACC's Annual Scientific Session. ACC.20/WCC Virtual will feature a number of ways to engage with colleagues from around the world on platforms like Twitter (#ACC20 / #WCCardio). And, don't miss hearing from incoming ACC President Athena Poppas, MD, FACC on the ACC.20/WCC Virtual Meeting Convocation page.
