

# Clinical Quality Coach Practice Dashboard

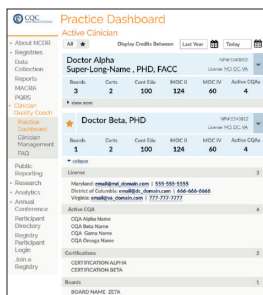

## Get This One-Stop-Shop for Tracking Your Physicians

The NCDR Clinical Quality Coach Practice Dashboard is a practice level solution that assists administrators in managing your physicians. Through leveraging the data and resources of both the ACC and NCDR, the Practice Dashboard requires minimal data entry, automatically generating physician profiles and transcripts.

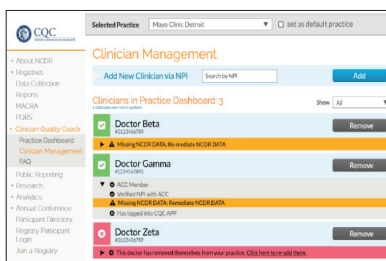

### Discover the top 3 WAYS the NCDR CLINICAL QUALITY COACH PRACTICE DASHBOARD will help you:

1

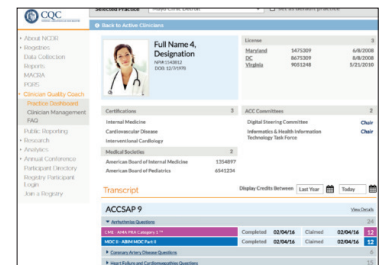

Access the **Clinician Profile Page** which provides a detailed view into your clinicians' licensure, certifications, and membership status with ACC, as well as a direct link to a printable CME transcript.

2

View the **Clinician Management Page** where it will show a high-level overview of your clinicians' membership and MOC status.

3

Through the **NCDR Clinical Quality Coach Overview** you get a direct view into your clinicians' use of the NCDR Clinical Quality Coach app and progress in using it to claim MOC Part IV and MIPS points.
