

# Let us introduce ourselves.

# SVS | VQI

In collaboration with NCDR®

*The Society for Vascular Surgery's Vascular Quality Initiative® (SVS VQI) is proud to collaborate with the NCDR® in our shared passion to improve patient outcomes.*

The mission of the SVS VQI is to improve the quality, safety, effectiveness and cost of vascular healthcare. We know you share that same mission. We'd like to introduce you to what VQI can offer your center.
