

The American College of Cardiology's

# CathPCI Registry™

Leverage  
your registry  
data to earn  
Cardiac  
Cath Lab  
Accreditation

Your  
Connection  
for Quality  
Outcomes

Cardiovascular professionals count on the CathPCI Registry for a **COMPREHENSIVE PICTURE OF CARDIAC CATHETERIZATION AND PCI PROCEDURES.**

Nation's **LARGEST REGISTRY** for percutaneous coronary intervention (PCI) procedures

**20+ YEARS** of proven success

**1,700+** participating **HOSPITALS**

The CathPCI Registry provides **decision-making information that helps you:**

- **Focus on the appropriate use** of PCI within your facility
- **Reduce avoidable bleeding complications**
- **Identify** your facility's areas of **excellence** as well as opportunities for **improvement**
- **Validate** use of **best practices** and application of performance **measures**
- **Monitor STEMI to treatment** times
